

**CMSC 23500 Introduction to Database Systems
Spring 2009 S. Salveter**

Homework 1

**Due Wednesday 8 April 2009 7:00 pm
Hard copy due Thursday 9 April in class**

All problems are from the text.

1. Exercise 2.13 page 54.
 2.
 - a. Create and populate a (small) Sqlite database for your application from the previous problem.
 - b. Phrase four representative queries in English and write the SQL to answer them.
The queries and SQL will be very simple since you only know a little SQL at this point.
- Turn in the files containing the database, the English queries and their SQL counterparts, and the results of the queries.
3. Exercise 5.14 page 167-8.
