

Homework 5

Electronic copy due Wednesday 5 May 2010 7:00 pm via hwsubmit
Hard copy due Thursday 6 May in class

There is only one problem this week. (I know you are working hard on your project part 2!)

1. Map the BANK ER schema of Exercise 3.23 (shown in Figure 3.21 page 95) into a relational schema. Specify all primary keys and foreign keys.

(This is the first part of Exercise 7.5 page 237.)
